## Bells Reach Home within your Reach

The large functional kitchen includes a dishwasher and more than enough storage space. The kitchen looks over the generous living and dining areas which flow out to the fantastic outdoor patio. The design really brings the outdoor and indoor living areas together; giving the feel of an even larger living space.

With a 2 car garage and separate laundry, storage isn't a problem.

All this combined with a low care, fully fenced garden it will leave you with more time to enjoy the Bells Reach lifestyle.
