event of 2013. As a result, this is now a blank canvas for the next owner to take over and explore possibilities which range from, but are not limited to, vineyard, and subtropical fruits such as lychees; even running horses and cattle. The surge in interest for organic produce, along with fresh, healthy food in general has brought about a growth in cottage farming, and eco-agriculture that has been very successful for some who have been creative with their vision.

The land itself, located just a few minutes to Flaxton, showcases stunning country views that encompass Buderim, the adjoining National Park and Towen Mountain; elevated and benefitting from cooling breezes, it would be an idyllic place to build a quality home and embrace the tranquillity and natural beauty of the surrounds.

Woombye township with amenities including: schools, bank, medical centre, supermarket, pub, rail to Brisbane, cafes, child care and more is a 5-7 minute drive down the hill. Sunshine Coast beaches can be reached within 30 minutes.
