flooring in living and kitchen, plus carpet and built-ins in bedrooms. Light and airy throughout, gentle sea-breezes are circulated keeping you cool and comfortable on even the most humid Queensland summer day.

Comfortable and very liveable 'as is' - you could update and reimagine to suit your personal taste if moving in as an owner-occupier, but it's certainly rent-ready and would also make a fantastic weekender/holiday home. For the downsizers looking to simplify their life, unlock equity from the family home and go travelling - this is an easy property to lock and leave.

Located in the 'Bondi Units' complex - body corporate fees are low, and it is not a holiday resort, so it is generally much quieter, consisting of owner-occupiers and tenants. It is currently rented until October 2022 - if you wish to move in, you could be in and settled well and truly in time for summer!

From here you can embrace the very fullest of coastal lifestyles - Point Perry lookout is just 150-metres walk along the boardwalk to the south, or head north to the Surf Club 300-metres away for patrolled swimming, a cold beer, and a meal with a squillion-dollar view - it's the same distance to the Esplanade with its boutique dining, retail, and commercial facilities. Sunshine Coast Airport is only 12 minutes' drive and Noosa Heads is 20 minutes.

Beachside living is always in demand with price usually an obstacle; this is an opportunity to invest in an ever-popular location and a dream lifestyle to match!
