Dressed to impress – the aesthetics are sleek and sophisticated, and the interiors exude soft coastal elegance. High ceilings, ducted air-conditioning, engineered oak flooring and wool carpets with premium underlay, LED lighting, stone benches including 50mm on island bench, soft close cabinetry, built-in BBQ on terrace, travertine tiling in alfresco and around pool, dual vanities and separate bathtub in ensuite, and professionally landscaped gardens with gate house at entry – are among the extensive suite of features.

A premium quality build with suspended concrete planter box at front, aluminium powder coated privacy screens at front and rear, and the finest of materials used in construction; further adds to value and appeal. Being brand new there will be no money needing to be spent or any works done around the property for many years ahead.

Just a short stroll to La Balsa Park and boat ramp; less than 10 minutes' walk to the beach and 15 minutes to the off-leash dog-friendly strip, 20 minutes' walk to Point Cartwright lighthouse reserve, 25 minutes to Kawana Surf Club with patrolled swimming; it's a water-lovers nirvana. It's also walking distance to Kawana Shoppingworld, cinemas, public transport, local parks/playgrounds, and Buddina State School.

Major hospitals, university, quality public and private schools, sporting/leisure amenities, the Sunshine Coast Airport, and Mooloolaba are within a 10-15 minute driving proximity; all the essentials and the fun stuff are right here or near.

Construction is currently underway with estimated completion date around June/July 2025, and both properties are available for purchase prior to completion.
