bathrooms, reverse cycle air-conditioning in lounge and master bedroom, bay windows, cedar framed French doors, and generous storage throughout, plus additional storage under house.

Each room has a delightful view over the lush, leafy gardens which complement this home beautifully. Entertaining will be such a pleasure all year around in all weather, on your timber deck; overlooking the gorgeous garden, over the pond and beyond to the rainforest backdrop at the rear you can soak up gentle breezes over a glass of wine or two, breaking bread with your family and friends, and creating wonderful memories to treasure.

The garden is fabulous for children and pets completely flat with a blend of open air areas, and shady spots to curl up and read a book. A stunning Poinciana tree is a feature, as well as manicured hedges, frangipanis, agapanthus, magnolias, jacarandas, mulberry tree, mango tree and a variety of citrus trees. There is even a pebbled camellia walk' which is like a little slice of England the garden is glorious!

Despite the size of the grounds, all the hard work has been done by current owner all you need to do to maintain is scoot around on the ride on mower and do some general minimal yard work from time to time; it is surprisingly easy care.

Located in a premium Buderim street surrounded by prestige homes on acreage, this is a highly sought after location particularly for families, as you have a choice of acclaimed schools within walking distance, along with the university and the Bottle Trees Shopping Village.
