13 Mallee Close, Caloundra West

Renovator on 924sqm - will be sold!

A solid low set home and a quiet cul-de-sac create a winning combination, topped only by the beautifully central location.

13 Mallee Close sits back from the road on a large block and comes complete with 4 bedrooms, 2 bathrooms, open plan kitchen and dining room, separate lounge room, air conditioning and ceiling fans throughout, double lock up garage, covered alfresco area, large backyard, established gardens and garden shed.

This classic design provides the perfect layout for young families and first home buyers. The lounge room at the front of the house ensures the TV volume won't penetrate to the bedrooms and the bedroom right by the master would make a perfect nursery. The room at the rear of the house could double as an office and would be ideal for those who work from home.
